

/home/rob/MyGit/Pi
_In_The_Sky-master/
_libSenseHAT/Pixel.cpp

```
graph TD; A["/home/rob/MyGit/Pi_In_The_Sky-master/_libSenseHAT/Pixel.cpp"] --> B["Pixel.h"]; A --> C["LedMatrixDevice.h"]; B --> D["cstdint"]; C --> E["stdint.h"]
```

The diagram illustrates the dependencies of the file Pixel.cpp. It is a hierarchical structure where a central file at the top points to two header files, which in turn point to standard C++ integer type headers.

Pixel.h

LedMatrixDevice.h

cstdint

stdint.h
