

`_libMQTT/Topic.h`

```
graph TD; A["_libMQTT/Topic.h"] --> B["string"]; A --> C["vector"];
```

A diagram illustrating the dependencies of the header file `_libMQTT/Topic.h`. The header file is represented by a gray box at the top. Two blue arrows point downwards from the bottom of this box to two white boxes below it. The left white box contains the text `string`, and the right white box contains the text `vector`. This indicates that the `_libMQTT/Topic.h` header file depends on the `string` and `vector` types from the C++ standard library.

`string`

`vector`
